Membership

Your membership guarantees appointments, provides valuable FREE services, and discounts on repairs for your heating and cooling system.

Regular service of your equipment can save you thousands of dollars over the long haul in energy costs. In fact, as much as 30% per year! And regular service can extend the life of your heating and cooling system. Your membership will literally pay for itself year after year.

You have become a preferred client. You can expect our highly trained and competent technicians to become familiar with you and your equipment.

Your membership is transferrable either to the buyer of your current home, or to your new home in associated service centers throughout the state. If you are not 100% satisfied with our service or repair, you do not pay.

The EZ-PAY is an annual agreement. I agree that a minimum of twelve monthly drafts are payable in advance and will typically be charged to my card or bank account on the 4th day of each month. If we are unable to successfully draft your account, we will automatically apply the unpaid amount onto your account with us, including any additional bank charges or late fees. All service work scheduled for the covered equipment will be suspended until the account balance is paid. Accounts that are uncollected for more than 90 days will automatically be removed from the EZ-PAY program and all unpaid drafts plus associated fees, including collection costs, are due in full immediately. All EZ-PAY agreement customers enjoy the benefit of automatic annual agreement renewals. Monthly drafts shall continue to be billed indefinitely unless given at least a two week advance notice of cancellation, provided the original agreement obligations of twelve months have been met.
